First Lady Cheri Daniels' Second Annual Heartland Walk for Health

INDIANAPOLIS- Indiana's First Lady Cheri Daniels will host her Second Annual Heartland Walk for Health at the Indiana State Fair on August 12, 2006 at 8:00 AM. The Heartland Walk for Health, presented by the Clarian Cardiovascular Center, strives to raise awareness that heart disease is the number one killer of women.

"Please join me in a stroll around the Fairgrounds' famous "Track of Champions" to support the women we love by exercising together and raising awareness of this serious issue," said Daniels.

Terri Stacy of WIBC will emcee the event. "Indiana's First Lady Cheri Daniels' great big heart cares very much about Hoosiers. The Heartland Walk for Health is one way she brings us together for a fun morning at a wonderful venue to be better informed and recognize that it's time for us to take charge of our health," said Stacy.

Activities begin at 7:45 AM and include a warm-up, music, entertainment and free screenings provided by Clarian. Mrs. Daniels will lead the walk at 9:00 AM.

Walk registration includes entry to the State Fair, and all participants will receive a commemorative T-shirt, State Fair participation ribbon, bottled water, and "goodie bag." To register online, please visit <https://www.kenlongassoc.com/heartland06entryform.htm>. Walk up registrations will also be accepted.

The Heartland Walk for Health is supported in partnership with Clarian Cardiovascular Center, the Indiana State Department of Health Office of Women's Health, the Office of the First Lady, and the State Fair.
